

R134a
REFRIGERANT
ONLY

THE NEW **KONFORT 705R**

TEXA QUALITY,
AN UNBEATABLE PRICE

The KONFORT 705R is the latest TEXA "entry level" recharge station for vehicle air conditioning systems, designed with the precise objective of offering mechanics a simple but complete unit for all recovery and recharge jobs involving only R134a refrigerant, at an extremely competitive price.

The KONFORT 705R possesses the same basic characteristics as the other models in the KONFORT range and therefore represents an ideal solution for garages committed to offering customers impeccable service while keeping their business costs under control.
