# NEW KONFORT 712R: 2 GAS READY AND EXCELLENT QUALITY/PRICE VALUE

**KONFORT 712R** is TEXA's new mid-range A/C charging station which boasts the typical technical features of the top-range models such as the automatic **maintenance** service management and the **measuring of the amount of oil recovered with the electronic scale**.

The KONFORT 712R can be purchased in the **R134a** or **R1234yf** version with the option to change the configuration.

Other distinctive features of the KONFORT 712R compared to the other models in its category, is the **possibility to install the Refrigerant Identifier Kit and to use it in combination with REC+**, the innovative device patented by TEXA for the recovery of contaminated refrigerants from the vehicle A/C systems. Furthermore, this A/C charging station is equipped with a closed chassis that makes it extremely durable.
